Ms. Entron:—It is only to allower the interests of humanity that I request a short space in your valuable paper to inform the public what Allen's Lung Balsam is sure to do. Two years ago I was attacked with a severe cold; it settled in my throat, which so affected the organs of speech that I could not speak aloud for nearly six weeks. I got through the winter coughing nights almost incessantly, with celd night sweats, with increased irritation, which extended into the Bronchial tubes and which kept me coughing all summer. I was at Shoreham os. a professional visit the past October, when the "good Samaritan" came along introducing allen's Ling Balsam into New England. I procured a bottle and took it according to directions, and found immediate relief. I have now taken two bottles, which has entirely cured me. For the past two years, or during the time or my affliction, I was in a state of constipation, which the Balsam has almost effectually regulated. No taken two bottles, which has entirely cured me. The German edition of the Youth's History, which has been called for, is also now ready

The work is designed to furnish the youth of the country a candid and impartial History of the Great War through which we have just passed,

From a Democratic standpoint. The minds of the youth of our country are being poisoned and miseducated by the false and partial histories' of the Abelitionists. and it is of great importance for the welfare of our country that the real Disunionists, as they are now proving themselves to be, shall

be properly portrayed. The great importance of a sound juvenine literature has long been felt and acknowledged, and as this is the first attempt to furnish it; the Publishers of the the work-Messrs. Van Evrie, Horton & Co., New York -respectfully solicit the encouragement of the public, and

the assistance of the Democratic press. It is just such a book as ought to form a part of the small library in every family in Vin-

ton county; or it should be placed in the hands of every child, for the purpose of giving them a correct idea of the late war and its causes.

It is neatly printed and bound, illustrated with 15 engarvings, and contains 384 pages, divided into 48 chapters. It contains the likenesses of Generals Lee, Stonewall Jackson, Grant, McClellan, Sherman, Johnston Jefferson Davis, Abraham Lincoln, A. H
